Assistant Commissioner for Patents
Washington, D.C., 20231

Sir:

This paper is submitted in response to the Restriction Requirement dated March 13, 2003; for which the one-month date for response is April 14, 2003 because April 12, 2003 is a Saturday. Since this response is filed on April 11, 2003, this paper is timely filed.

In response to the restriction requirement that the Examiner imposed, Applicants elect, with traverse, to prosecute claims 1-18 and 42-47, *i.e.*, the Group I claims.

Additionally, MPEP § 806.05(e) sets forth requirements for restricting a process and an apparatus for its practice. required. See MPEP § 809.04. Claim 23 satisfies the criteria set forth in MPEP 806.05(e) as a linking claim, and is therefore entitled to examination with the elected Group I claims. If it is ultimately allowed, rejoinder is required. See MPEP § 809.04. Applicants respectfully assert that no undue burden is placed upon the Office in examining claim 23 with the Group I claims. Therefore, Applicants hereby respectfully request that claim 23 included in the elected Group I claims.

Furthermore, claims 24-41 (Group III claims) are Beauregard claims that have similar elements as that of claims 1-18, *i.e.*, Group I claims. Although the preamble for claims 24-41 are different, the limitations of claims 24-41 are similar to those of claims 1-18. Applicants respectfully assert that no undue burden is placed upon the Office in examining claims 24-41 with the Group I claims. Therefore, Applicants respectfully assert that claims 24-41 (Group III claims) be examined with the Group I claims.

It is believed that no fee is due; however, **should any fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason relating to this document, the Assistant Commissioner is authorized to deduct said fees from Advanced Micro Devices, Inc.
